***League teams will have set days and hours for practice on the game fields through April 12.** Starting on April 13, league teams must practice at school and parks facilities due to league games scheduled on the game fields. If league games are not scheduled on a game field, teams may use that field for practice by contacting David Stone at the RAC.

***Umpires judgement calls (Ball/Strike or Safe/Out) are not topics that will be Discussed.**

***League schedules are FINAL and will not change unless league games are cancelled due to unplayable field conditions. Rescheduled games will be posted on the original league schedule on the website.**

***League games cancelled due to unplayable field conditions will be made up on Wednesdays or Saturdays. Due to USSSA tournaments scheduling umpires on Saturdays, it may be necessary to not schedule make up games on certain Saturdays when USSSA tournaments are scheduled.**

Weather Cancellations: We post weather cancellations on our rain-out line (631-0336) (Press option #1), Facebook (Rogers Parks & Recreation) and website (<http://www.rogersar.gov/1101/Parks-And-Recreation>). Rain-out games will be posted by 4:00pm. If rain occurs after 4:00pm on weekdays, it will be a referee decision at the scheduled game time. If you would like to receive instant text messages and/or emails on all sports cancellations, go to (www.rogersar.gov) and sign up for Notify Me.

Important Information Regarding Parks and Recreation Text/Email Alerts

Your subscription needs to be renewed in order to continue to receive Parks and Rec text/email notifications!

Rogers Parks and Recreation Department would like to inform you of some changes to our "NotifyMe" text and email alert system. The "NotifyMe" notification system will only allow a limited number of people to sign up to receive text message notifications. Once that number is reached, text message notifications will not be available; however, you may still sign up for email notifications, because there is not a "cap" on the number of people that can receive email messages.

Beginning on Friday, February 21, at noon, we will be deleting all current subscribers to this system in order to keep our subscriber list up-to-date and delete those not utilizing the system. **You will need to go to www.rogersar.gov in order to subscribe to the list to receive rainout and cancellation texts/emails for youth/adult sports and activities.** The subscriber list will be deleted on July 1 and December 1 each year in order to provide the best service.

In addition to deleting our subscriber list, we will be consolidating all of our text/email alerts for each individual sport into one general category, "Rainouts and Cancellations." As a result, when you visit the website to subscribe to receive "NotifyMe" texts and email alerts, do not look for the specific sport you registered for. Instead, you will need to sign up for "Rainouts and Cancellations: Parks and Rec" in order to receive all important information regarding youth and adult sports.
