

1. Name and Job Title

Trent Larsen, Firefighter/EMT

2. How long have you been with the Rogers Fire Department

I have worked at Rogers for two years.

3. Where were you born and raised

I was born and raised in a small town from Southern Illinois. Around thirty minutes from St. Louis.

4. Why did you choose Rogers

I chose to work for RFD because of the reputation that I gathered about the department from people all over Northwest Arkansas. Many people told me how well Rogers is ran from the top down; how many facilities were offered for training and career development.

5. What do you love about your job

What I love about my job at RFD is the comradery that is felt throughout the department. From administrators, chiefs and the guys and girls that I work with on shift. When I go into work, I know that I am surrounded by people that are all looking to make each other better and be there for you in ways that most people don't get from their career.

6. If you were talking to a friend that's considering working for the RFD, what would you tell them?

I would tell them to bring a positive attitude and work ethic and it will be the best job there is. Someone who is ready to learn and listen to the guys and girls who have been around the career for a long time can become a valuable member of the department... And learn to cook some food before you get on shift!
