when you sd understood the action of your
parents. We can respect each other the more
by being candid and learn to live more for
each other by knowing our misfortunes.

Tom is popular here with the natives,
and when ~~some~~^a title is fixed up will own a
half interest in 120 acres. He is spending the
week with his partners in the chicken business.
He has grown heavier & now weighs 15 pounds
more than he ever has. Ed has gained 10
pounds since coming here.

Affectionately yr father
