

Licensing Requirements

This is a list of the licenses required to obtain a permit within the City of Rogers:

➤ **Arkansas State Contractors License**

- **Commercial** – any work on commercial projects \$50,000 or more will require a commercial license
- **Residential** – construction of new homes will require a residential builders license **or** work done on residential property that exceeds \$2,000 will require a home remodelers license

➤ **Arkansas Plumbing License**

- Requires a master plumber's license

➤ **Arkansas Electrical License**

- Requires a master electrician's license

➤ **Arkansas Mechanical License**

- Requires a licensed mechanical contractor – **NOT** a registrant

➤ **General Liability Insurance**

- Need a copy of certificate of insurance

➤ **City Business License**

- We will accept a current business license from any city within the State of Arkansas

We do require the contractor(s) performing the work to obtain the proper permits prior to the job being started. We will allow anyone that works for your company to pull the permits as long as all the licensing information is up to date.
